About the project

This platform streamlines the dispute resolution process for Franchisors and Franchisees in Australia by providing an end-to-end administration service to ensure disputes have a speedy resolution through Mediation.

Main Technology Stack:

- Gravity Forms
- Gravity Forms Stripe
- Gravity Flow
- Gravity PDF

““

“I first came across Gravity PDF when running a government-funded national dispute resolution business, which I needed to convert to an online presence. Now I use it on every website for generating the client notice of dispute, tax invoice preparation, and agreement PDFs”

“Gravity PDF is indispensable to my business”
